Read the testimonial, don't take our word for it:

"I have been a victim to several of the above named ailments, and have been cured by the use of your famous remedy, each and every year, and only for

It will be regretted by the citizens of Marion that Corner Walker & Davis have decided to remove their merchant tailoring establishment to Malto, Ohio. They have done a good business here for a new firm under the efficient management of Harry Walker, but his services are more valuable to the firm at Malto, and in consequence this branch of the business will be taken there. Mr. Walker has made a host of friends here who hope that he will meet with the success that he deserves wherever he goes.
